The originals have not made their way down to me yet, since they were addressed to Enrique. I'll send you a copy though when I get those hard copies.

Dante,

Did you receive the originals that were signed by Chairman Torres? I forgot to make a copy is there a chance if you have them to send me a copy?

Hi Tashina,

We were wondering what the status is for WRPT's written comments on the deferral documents. We wanted to wait until we receive your comments before we schedule consultation discussions. Let me know how they are coming.
Thanks!
